EXPERIENCE:
2012 - Present
Owner & Operator
Insatiable Productions, Venice, CA
I created Insatiable Productions to produce all original comic books, films, and entertainment. I collaborate and organize local talent to launch fun and engaging projects. Additionally I work with clients to craft personal and business brands, produce original websites, and create multimedia content based on consultation.

2014
Manager of Channel Development
Scale Lab Network, Santa Monica, CA
I worked with various team members to bring YouTube channels into the Scale Lab MCN. Additionally I helped hand code an online storefront for one of their top channels. Finally I helped to add hand coded features to the Scale Lab website to add customization that the current Wordpress theme did not allow.

2001 - 2014
Stunt & Performance Capture
Rhino House, Hermosa, CA
Worked as an actor to achieve optimal performance for various stunts and animation reference material.

2013 - 2013
Freelance Web Designer
Columbu.com, Brentwood, CA
Organized client content for a responsive website redesign. The design was implemented though a Wordpress theme and altered to meet brand expectations.

2012 - 2013
Freelance Web Designer & Content Creator
Pacific Coast Health, Santa Monica, CA
Crafted their business brand, and created multimedia content based on consultation. Website was tailored using a responsive Wordpress theme.

2012 - 2012
Freelance Concept Artist
Plymouth Street Productions, Pacific Palisades, CA
Design characters using Adobe Photoshop for professional script pitch.
